Daily Boat Tours

Dawson City

Program for mid-July to end-August 2025

Guided, educational tours, exploring historic sites and their stories, what it means to live in the Yukon year-round, the ecosystem along the river and its wildlife. You won't get closer as on one of our Zodiac expedition boats. We always travel in a small group, so you get the most out of our tours as an individual - entering the vast beauty of the breathtaking wilderness along the Yukon River.
